## PROTECTIVE BREAST FORMULA™

Certain nutrients from food provide protective benefits for breast health, but getting all of these nutrients from our daily diet can be difficult, so we created **PROTECTIVE BREAST FORMULA** dietary supplement to make it simple.

To learn more about breast health, please visit: [protectivebreast.com](http://protectivebreast.com)

*A portion of the proceeds from the sale of this product will be donated to support women's health research.*

CHRISTINE HORNER, M.D.

## PROTECTIVE BREAST FORMULA™

Christine Horner, M.D., FACS is an expert in the field of women's breast health and has been a health activist for more than 20 years. She has done significant research into key nutritional and lifestyle interventions proven to promote breast health. Dr. Horner created this exceptional formula, based on her expertise in this field, and in collaboration with Enzymatic Therapy®.

In her book, *Waking the Warrior Goddess*, Dr. Horner identifies five critical keys for breast health, upon which the **PROTECTIVE BREAST FORMULA** is based. The key ingredients in this formula provide a vital foundation for breast health.\*
