

BARCODE

Directions: Blend, shake or briskly stir 2 level scoops (60 grams) of OptiCleanse Plus™ into 10-12 oz. chilled water or juice or as directed by your healthcare practitioner.

OptiCleanse Plus™ is a pleasant tasting, rice protein-based functional food meant to provide “Optimal Cleansing” nutrition for those patients suffering from conditions and symptoms associated with toxicity. It provides excellent macro and micronutrient benefits.

OptiCleanse Plus™ features a unique rich protein concentrate produced via a patented† process that has a lower allergy potential than normal rice. This rice is fortified with the amino acids lysine and threonine, resulting in a complete, high quality and easily digested vegetable protein. Additionally, the nutrients found in OptiCleanse Plus™ feature a unique blend of vitamins, minerals, amino acids, and antioxidants designed to support healthy Phase I and Phase II hepatic detoxification. An emphasis has been added to support those patients having low Phase II activities with the addition of such key ingredients as glycine and the patented ingredient Preventium® to aid in Phase II glucuronidation.*

Per Serving:

Lignamax®	9 grams
Branched Chain Amino Acids (Leucine, Isoleucine, Valine)	750 mg
Preventium®	250 mg

The sale of OptiCleanse PLUS™ is prohibited both on the Internet and in health food stores. XYMOGEN® formulas purchased on the Internet are done so via unauthorized diverters. XYMOGEN® only guarantees its formulas when prescribed by a licensed health care practitioner and used under professional supervision.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

DOES NOT CONTAIN: Wheat, gluten, corn protein, soy protein, yeast, dairy products, artificial sweeteners, colors, or preservatives.

CAUTION: Consult with your healthcare practitioner before use. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

Contents sold by weight, not volume. Some settling may occur during shipping and handling

TAMPER EVIDENT: Do not use if safety seal is missing or broken.

† Production of the rice protein is covered under U.S. Patent #4,876,096.
Preventium® is a trademark of Applied Food Sciences, LLC. U.S. Patents #4,845,123; 5,364,644; 5,561,160.
