

Schiff® Double Strength Fish Oil provides the same amount of Omega-3 fatty acids in one softgel that are typically found in two regular strength 1000mg fish oil softgels. The fish oil used in this product comes from wild, cold water ocean fish. The oil is screened for PCBs, mercury and other toxins. It's also been molecularly distilled to reduce any fish odor or aftertaste.

† Supportive, but not conclusive, research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

KEEP OUT OF REACH OF CHILDREN.
STORE IN A COOL, DRY PLACE WITH LID TIGHTLY CLOSED.

GUARANTEED: No added sugar (sucrose, fructose, lactose), salt (sodium chloride), yeast, wheat, gluten or milk. No artificial flavors.

GUARANTEED for purity, freshness and labeled potency.
