

BARCODE

DIRECTIONS: Blend, shake or briskly stir 2 level scoops (58 grams) of **OptiCleanse™ Plus Rice** into 10-12 oz. chilled water or juice, or as directed by your healthcare practitioner.

OptiCleanse Plus Rice is a pleasant tasting, rice protein-based functional food meant to provide “Optimal Cleansing” nutrition for those patients suffering from conditions and symptoms associated with toxicity. It provides excellent macro and micronutrient benefits.*

OptiCleanse Plus Rice features rice protein concentrate that is fortified with the amino acids lysine and threonine, resulting in a complete, high quality and easily digested vegetable protein. Additionally, the nutrients found in OptiCleanse Plus Rice feature a unique blend of vitamins, minerals, amino acids, and antioxidants designed to support healthy Phase I and Phase II hepatic detoxification. An emphasis has been added to support those patients having low Phase II activities with the addition of such key ingredients as glycine and the patented ingredient Preventium® to aid in Phase II glucuronidation.*

Per Serving:

Lignamax®	9 grams
Branched Chain Amino Acids (Leucine, Isoleucine, Valine)	750 mg
Preventium®	250 mg

The sale of OptiCleanse Plus Rice is prohibited both on the Internet and in health food stores. XYMOGEN® formulas purchased on the Internet are done so via unauthorized diverters. XYMOGEN only guarantees its formulas when prescribed by a licensed healthcare practitioner and used under professional supervision.
