INGREDIENT NOTES: VigPepase 2000™ is an acid stable protease enzyme blend derived from the fermentation of non-GMO, nature-identical strains of *Aspergillus niger* and *Bacillus subtilis*.

DOSAGE: Take 1 to 2 scoops with 6 – 12 oz of your beverage of choice with breakfast or any other meal. For those who compete or are training with higher intensity, two scoops is suggested.

WARNING: This product is not for use by anyone under the age of 18. This is a potent bodybuilding supplement. Do not take this if you have or are at risk for any medical condition or disease. Please consult with a physician before using this product, especially if you are using any prescription drug, over-the-counter medication, or supplements. Immediately discontinue use if any side effects occur. For State of California residents only: this product contains a chemical known to the State of California to cause birth defects or other reproductive harm. Keep out of reach of children. Athletes should consult with their sanctioning authority before use. Do not exceed recommended dose. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WHO WE ARE In 1983, Animal was founded with the birth of Animal Pak, the venerable training “pack” that started it all. Born from the needs and desires of pro bodybuilders, Animal has grown prodigiously over the decades. Today, Animal has stood the test of time and been proven in the trenches day in and day out. The name stands for trust, integrity and a no nonsense approach to the game. **WHAT ANIMAL PAK® IS** The true original since 1983, Animal Pak has been the choice for hard-earned, uncompromising athletes all over the world. It is foundational, “core” nutrition that provides the basic nutritional framework for any lifter serious about iron warfare.† **OUR IRONCLAD GUARANTEE** Animal is dedicated to being the best in the business, no two ways about it. If this product doesn’t meet with your tough requirements for any reason, let us know. When it comes to standing behind our products, we don’t mess around. That’s the truth.
