

BARCODE

DIRECTIONS: Blend, shake, or briskly stir 2 level scoops (60 g) of OptiCleanse Plus™ into 8-12 ounces chilled, pure water, or amount for desired thickness, or as directed by your healthcare practitioner.

OptiCleanse Plus is a functional food containing macro- and micronutrients that support mitochondrial energy production necessary for biotransformation/detoxification. With a low-allergy potential and no added fructose, this second generation OptiCleanse Plus provides the same high quality and easy digestibility as the original, with a significantly improved taste. OptiCleanse Plus features VegaPRO™, XYMOGEN's proprietary pea/rice protein blend; Aminogen® to facilitate protein absorption; activated B vitamins, such as vitamin B6 (as pyridoxal 5'-phosphate) and vitamin B2 (as riboflavin 5'-phosphate); folate (as Quatrefolic®†, a patented form of 5-MTHF); and Albion's patented TRAACS® chelated amino acids for optimal absorption. The active form of folate, 5-methyltetrahydrofolate (5-MTHF), can overcome issues of folate metabolism associated with compromised gastrointestinal function, liver impairment, and genetic enzyme defects. 5-MTHF is provided as Quatrefolic®†, which is proven to have greater stability, solubility, and bioavailability over calcium salt forms. In conjunction with a modified elimination diet, OptiCleanse Plus addresses the needs of individuals experiencing signs and conditions associated with toxicity.*

Per Serving:

	9 g
Branched Chain Amino Acids (Leucine, Isoleucine, Valine)	4464 mg
	250 mg

The sale of OptiCleanse Plus on the Internet and in health food stores is prohibited. XYMOGEN formulas sold online or at health food stores are done so without authorization. XYMOGEN only guarantees its formulas when prescribed by a licensed healthcare practitioner and used under professional supervision.

Alpha Lipoic Acid (from MeadowPure)	2025 mg	**			
Lipoic Acid (from MeadowPure)	630 mg	**			
N-Acetyl-Cysteine	55 mg	**			
Aminogen®	300 mg	**			

Other Ingredients: VegaPro™ (XYMOGEN's proprietary blend of rice protein concentrate, pea protein isolate, Aminogen®, L-glutamine, glycine, and taurine), evaporated cane juice, cocoa powder, sunflower oil, inulin fiber (from chicory), natural flavors, medium chain triglycerides, brown rice syrup solids, xanthan gum, guar gum, carrageenan, sodium chloride, potassium citrate, and stevia leaf extract.

All XYMOGEN Formulas Meet or Exceed cGMP Quality Standards.

Typical Amino Acid Profile Per Serving:

Taurine	1000 mg
Glycine	1485 mg
Lysine	1848 mg
Valine	1248 mg
Leucine	2088 mg
Isoleucine	1128 mg
Cysteine	264 mg
Threonine	936 mg
Alanine	1056 mg
Serine	1344 mg
Aspartic Acid	3000 mg
Phenylalanine	1344 mg
Tryptophan	200 mg
Proline	1056 mg
Methionine	288 mg
Histidine	108 mg
Arginine	2284 mg
Glutamine	4872 mg
