

Directions: Blend, shake or briskly stir 2 level scoops (60 grams) of OptiCleanse™ GHI Rice into 10-12 oz chilled water or juice or as directed by your healthcare practitioner.

OptiCleanse™ GHI Rice is a pleasant tasting, rice protein-based functional food meant to provide "Optimal Cleansing" nutrition for those patients with conditions associated with Gastrointestinal, Hepatic, or Inflammatory (GHI) disorders. It may be used in elimination diet protocols as an adjunct to bowel and hepatic detoxification, and for overall systemic relief with inflammatory or allergy mediated issues.*

GHI Supports Three Main Functions, beginning with: 26 grams of patented rice protein per serving†		
Gastrointestinal Glutamine Quercetin Aminogen® LignaMax® Preventium®	Hepatic Ellagic Acid Watercress NAC Sodium Sulfate	Inflammatory Curcumin Ginger Bioflavonoids Rutin Niacinamide

The sale of OptiCleanse™ GHI Rice is prohibited both on the Internet and in health food stores. XYMOGEN® formulas purchased on the Internet are done so via unauthorized diverters. XYMOGEN® only guarantees its formulas when prescribed by a licensed health care practitioner and used under professional supervision.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DOES NOT CONTAIN: Wheat, gluten, corn protein, soy protein, yeast, dairy products, artificial sweeteners, colors, or preservatives.

CAUTION: Consult with your healthcare practitioner before use. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place. Do not refrigerate.

Contents sold by weight, not volume. Some settling may occur during shipping and handling.

TAMPER EVIDENT: Do not use if safety seal is missing or broken.

† Production of the rice protein is covered under U.S. Patent #4,876,096.
