

Dolphin Pals DHA is an all natural, great tasting gummy that contains 100 mg of DHA and over 450 mg of fish oils per serving! DHA is particularly abundant in the brain and retina of the eye.*** With its fun dolphin shape, 3 great tasting flavors and easy to chew gummies, your child will be flipping over for more!

The fish oil in this product has been processed using molecular distillation to ensure its purity and contains no trans fatty acids.

Also try Dolphin Pals Multi to provide your child gentle levels of essential vitamins and minerals.
