

Realfood Organics® Women's Daily Nutrition®

Realfood Organics® Daily Nutrition is made from 40 non-GMO USDA organic fruits, vegetables, greens, grains, sprouts, legumes and other organic foods. Our label contains many foods with which you are familiar (and hopefully love!) From vegetables such as spinach and broccoli, to fruits such as acai, blueberries, and strawberries, as well as greens including chlorella, spirulina and kale. Our product also contains nutrients from lentil beans, quinoa, and aloe vera. Imagine the boxes of 40 farm-stand goodies you would need to bring home, and the food menu possibilities!

Realfood Organics® is the only USDA certified organic multivitamin line made from fermented whole foods with 2-4 servings of fruits and vegetables*. In just 2 easy-to-swallow tablets, you get the ORAC equivalent of 2 servings of fruits and vegetables*.

So how do we pack so much in 2 soft tablets? Nutrients can be delicate and require careful handling to retain them. After years of research, we discovered that by combining fresh, raw whole food ingredients with probiotic cultures and then fermenting and freeze-drying this mix, we were able to deliver you a product we felt good about calling **Realfood Organics®**. This process allows us to give you a whole food based supplement as close to its natural state as possible.

The fermentation process is also, why, upon opening the bottle, it may smell like just picked produce. Fermentation is nature's way of preserving food.

All of our **Realfood Organics® Daily Nutrition** products offer more than just a vitamin and mineral complex. It also includes nutrients to support your everyday health:**

- Energy metabolism through our rich B-vitamin profile**
- Immune health with the inclusion of vitamin C, D and E**
- Healthier hair, skin, and nails**
- 100% inner fillet Organic Aloe Vera

To decide which **Realfood Organics® Daily Nutrition** product is right for you, choose from:

- Women's Daily Nutrition® with organic cranberry powder
- Men's Daily Nutrition® with organic pumpkin seed powder
- Ultimate Daily Nutrition®. This product contains our greatest organic food blend at more than 1,700 mg.
- Your 1 Daily Nutrition™. A once-a-day multivitamin solution.

Δ Based on ORAC equivalents per serving. Developed using ORAC (Oxygen Radical Absorbance Capacity) values of common fruits and vegetables in the U.S. and independent third party laboratory test data. These servings are just the starting point for your overall wellness and we at **Realfood Organics®** hope that you also visit your local farm stand to get fresh organic fruits and vegetables that not only include a variety of phytonutrients such as naturally occurring polyphenols, but also provide dietary fiber.

At Country Life, integrity is our #1 ingredient. Every product is rigorously tested to ensure it measures up against Country Life's 5 Integrity Standards: 1) authenticity of ingredients; 2) cleanliness of ingredients; 3) freshness of ingredients; 4) consistency of the formula; and 5) accuracy of labeling. Realfood organics®

Here at Realfood Organics®, we love farm stands and supporting our local farmers and food artisans. It's the beauty of the freshly picked vegetables, the seasonal fruits, and the friendly smiles that keep us going back. It is this inspiration that led us to craft Realfood Organics®, a line of tailored multivitamins and aloe vera made from real foods. We source only USDA organic ingredients to share with you, what we would feel good about feeding to ourselves and to our families. Good supplementation begins with real fruits, vegetables, greens and grains.
