DIRECTIONS: Take one softgel daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner **prior** to use. Individuals taking medication should discuss potential interactions **with their** healthcare practitioner. Do not use if tamper seal is damaged.

D3 5000 contains vitamin D3 (cholecalciferol) in convenient softgels. Vitamin D3 is the bioidentical form of vitamin D synthesized in the body from cholesterol, following activation by the UV rays in sunlight. This form is excellent for maintaining healthy levels of vitamin D in the body. Mounting evidence suggests roles for vitamin D not only in bone health, but also in supporting immune, neurological, musculoskeletal, cellular, and cardiovascular health.*
