NOW FOODS, 395 S. Glen Ellyn Rd.  
Bloomington, IL 60108, USA [nowsportsproducts.com](http://nowsportsproducts.com)

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Store in a cool, dry, dark place after opening. Please Recycle.

Natural color variation may occur in this product.

**SUGGESTED USAGE:** Take 1 tablet daily, preferably with food. Pyruvate is a key metabolite of carbohydrate metabolism that is needed to begin the citric acid cycle, the process by which cells produce energy in the form of ATP.\* As the main chemical fuel of the body, ATP powers most vital functions throughout the body, including muscular movement.\* Pyruvate is also important in a number of other metabolic pathways, including those that result in fat and protein metabolism, as well as in glycogen storage.\* Pyruvate can therefore help to readily replenish cellular fuel supply and facilitate energy production.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep In Bottle.
