

BARCODE

DIRECTIONS: Take one scoop daily, mixed with plain water, on an empty stomach, or as directed by your healthcare practitioner. Consume within 30 minutes of mixing.

L-Glutamine is a conditionally-essential amino acid necessary for the maintenance of many metabolic functions. Under metabolic stress—such as illness/disease, injury, infection, surgery, chemotherapy, prolonged exercise, or environmental stress—physiological demands increase. L-glutamine supplementation can provide for the body's increased needs, and research suggests it may:

- Support Intestinal Health and Barrier Integrity*
- Support Healthy Immune Function*
- Support Muscle Mass Retention*
- Support Increased Glutathione Synthesis*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

CAUTIONS: Consult your healthcare practitioner before use. Keep out of reach of children. Avoid if allergic to any ingredient.

STORAGE: Keep tightly closed in a cool, dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, soy, animal or dairy products, artificial colors, sweeteners, or preservatives.
