

BARCODE

Directions: Take 1 to 2 capsules per day before or during meals or as directed by your healthcare professional.

XYMOGEN has partnered with world-renowned probiotic laboratory Institut Rosell in bringing Rosell's leading strain-specific pharmaceutical probiotic formulas, including **Lacidofil®**, to the U.S. professional nutraceutical market. Human clinical trials on hundreds of patients utilizing **Lacidofil** have demonstrated beneficial probiotic effects. Laboratory analysis has demonstrated **Lacidofil** possesses a much higher PI (Proliferation Index) than other strains tested. The degree to which bacteria adhere to and proliferate in the bowel is a most important consideration in assessing probiotic efficacy.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: If pregnant, please consult with your healthcare practitioner before use. Keep out of reach of children.

SHIPPING AND STORAGE: **Lacidofil** is stable at temperatures up to 96 degrees F. It is shipped refrigerated to prevent exposure to temperatures above this level which may result in some loss of activity. In order to maximize shelf life, please store in a cool dry place.

DOES NOT CONTAIN: Wheat, gluten, corn protein, yeast, artificial colors, sweeteners or preservatives.

XYMOGEN®

EXCLUSIVE PROFESSIONAL FORMULAS

Pharmaceutical Grade • Professional Use Only
