

Fish Oil 1000 mg

††Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease. One serving of 21ST Century Fish Oil 1000 mg provides 300 mg of EPA and DHA, and other Omega-3 fatty acids (see supplement facts for total fat and saturated fat content). 21ST Century Fish Oil contains high quality molecularly distilled fish oil concentrate.

Directions: As a dietary supplement take one (1) softgel with any meal up to three times daily or as directed by a healthcare provider. Do not exceed recommended dosage. Individual results may vary.

Warning: Consult a healthcare provider prior to use if pregnant, nursing, on medications, have a medical condition or are planning a medical procedure. Stop use and contact a physician if adverse reactions occur.

Keep out of reach of children. Do not use if product appears to be tampered with or seal is broken. Store at room temperature. No added Sugar, Salt, Yeast, Preservatives, Artificial Flavors or Colors. **Gluten Free.**
