

Many recent scientific studies have shown the effectiveness of taking supplements with the proper combination of Glucosamine HCl and Chondroitin Sulfate. These compounds found in the soft cartilage, tendons and synovial fluid, are essential to the healthy functioning of tendons and joints, especially with advancing age.* Glucosamine & Chondroitin Complex Double Strength combines these two nutritional elements in the proper amounts for your effective use.

Directions: As a dietary supplement, take up to three (3) tablets daily after meals, or as directed by your healthcare provider. Do not exceed recommended dosage.

WARNING: IF YOU ARE DIABETIC, CONSULT YOUR PHYSICIAN BEFORE USING THIS PRODUCT. If you have a Shellfish allergy please consult your physician before using this product.
