SUGGESTED USE: Adults – Take one tablet daily with food. Not formulated for use in children. Do not exceed suggested use. As with any supplement, if you are pregnant or nursing a baby, or are taking medication or have a medical condition, consult your doctor before use.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

IMPORTANT INFORMATION: Long-term intake of high levels of vitamin A (excluding that sourced from beta-carotene) may increase the risk of osteoporosis in adults. Do not take this product if taking other vitamin A supplements.

Store at room temperature.
Keep bottle tightly closed.

Do not use if printed seal under cap is broken or missing
