Recommendations: Mix 2 heaping tablespoons in 8 fluid ounces of water, juice, or other beverage once a day, or as directed by your healthcare professional. Can also be mixed with soft food such as applesauce, oatmeal, pudding, etc.

Mixing Instructions: Place powder into a glass with 1-2 ounces of warm water and mix thoroughly with a fork. Once the powder is dissolved, add the remaining water, juice, or desired drink to make 8 ounces.

This product has been tested for antibiotic residues. This product is free of the Recombinant Bovine Growth Hormone (rBGH). Vital Nutrients Whey Protein Isolate is minimally processed, so that the proteins remain undenatured and soluble. This product contains naturally occurring immunoglobulins.

Independently tested for whey protein authenticity, protein potency, melamine, heavy metals, herbicide & pesticide residue, stability and bacteria, yeast and mold counts.
