*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Lutigold™ Lutein is derived from pure, natural sources only - never synthesized in a lab. Lutigold™ Lutein is also non-genetically modified. As we age, our body's natural supply of Lutein decreases and since Lutein is not made in the body - it's important to take every day. When choosing Lutein, make sure it's Lutigold™!
