ED BYRD'S REVOLUTIONARY NEW WHEY! The Physique-Altering Power of Peptide "Multi-Fractionation" Pro-NOS is the biggest breakthrough in protein supplementation in over

O.S INCHESE

same time, the whey peptide fraction that breaks down fat (VAT-Burn<sup>16</sup>) begins chiseling and FIG. B - Reduce Bally Fat by 4.30%

Pro-NOS IS IDEAL TO TAKE WITH ALL NO-GENERATORS!

Pro-NOS is designed to work synergistically with all nitric oxide products. You see, NO generators provide your body with arginine - the building block of NO. But it's the NOS enzymes that convert the arginine into nitric oxide. Pro•NOS makes sure you've got enough NOS enzymes

20 years. It gives you the power to gain muscle and strip off fat faster than

The stunning new technology is known as peptide "multi-fractionation." Unlike today's whey proteins that use pentide chains in their "randomly occurring" length, MPI has isolated the specific

"interval" (length) within the peptide chains that holds all the concentrated power to change your body composition! You get two powerful physique-altering chain-length specific peptides in new Pro-NOS: ACTINOS" increases nitric oxide by 950%, VAT-Burn" strips off belly fat by 4.30%."

ingredients." Just fractionated whey isolate. Your muscles feel bigger and thicker within days. At the

BUILD MUSCLE AND STRIP OFF FAT - AT THE SAME TIME - WITH FRACTIONATED WHEY Chest, Arms, Abs. With Pro-NOS, you get it all. The patent-pending NO-generating whey peptide fraction (ACTINOS!!) amplifies pitric oxide levels by up to 950%. Without argining or "added

ever before. Without added ingredients, Just Protein, Here's how:

Finally, NOS is no longer the rate-limiting factor in NO production! With Pro-NOS, you get 42 grams of the highest quality whey isolates and concentrate! And it tastes great!

PREPARATION: Mix 1 serving (2 scoops) of Pro-NOS with 12 fl. oz. of cold water or skim milk, mix well Consume immediately.

DIRECTIONS: Take 2 servings of Pro-NOS daily. Note: On training days, take one of your two daily servings within one hour after your workout

Pro·NOS
