

Hard-Hitting Ingredients Include:

- Caffeine** Helps boost mental energy and alertness.* One scoop will help increase your body temperature to get you pumped and ready for exercise.* Two scoops will give you the fuel needed to take your workout to the next level.
- Creatine HCl** Next generation creatine formulated in a concentrated serving of 1 gram per scoop.
- Beta-Alanine** Make every workout your best workout. Beta-Alanine, at the levels we have included in two scoops daily, helps boost workout performance when grinding out rep after rep in the weight room.* Combine our next generation Creatine HCl plus Beta-Alanine to form a dynamic combination. The "tingles" you get from Beta-Alanine let you know it's GO TIME.
- Agmatine** One of the hottest new pre-workout ingredients to hit the market. Agmatine is closely related to L-Arginine as it is naturally produced in the body during arginine metabolism.

Loaded with 400 mg caffeine per two scoops, Nuclear X will get you fired up for every workout. Our scientifically formulated pre-workout powder will help you achieve your potential every time. We left out the junk...We left out DMAA...Resulting in our strongest pre-workout yet.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications or have any medical condition, consult your doctor before use. Avoid this product if you have kidney disease. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18 or for those sensitive to caffeine.

Use in conjunction with an intense daily exercise program and a balanced diet including an adequate caloric intake.

This is a stimulant based supplement; always check with a physician or health care provider prior to taking supplements and exercising.

Beta-alanine may cause a temporary tingling sensation, which is a normal reaction.

This product contains caffeine. Avoid additional consumption of caffeine, which may cause adverse effects.

Contents are sold by weight. Some settling may occur.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
