

Suggested Use:

As a dietary supplement, take NITRIC OXIDE twice daily. Once immediately upon waking and again in the afternoon prior to a meal.

FEEL IT NUTRITION's NITRIC OXIDE is Arginine Alpha-Ketoglutarate in a controlled release delivery system. Arginine released into the bloodstream will dramatically increase Nitric Oxide production. Increases in Nitric Oxide may lead to the following benefits: extended and enhanced "muscle pump" after training, improved endurance and recovery time, improved workout capacity, and increased sexual vigor.†

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: Not intended for sale to persons under the age of 18. Do not use if you are pregnant or nursing or if you are at the risk of or being treated for high blood pressure, heart disease, renal disease, hyperlipidemia, seizure disorder, psychiatric disorders, suffer from migraines, are sensitive to aspirin/salicylate, are taking asthma medication or have asthma. Consult with a physician before use if you are taking monoamine oxidase inhibitor (MAOI) or any other prescription drug. Do not use if you are using any other dietary supplement, or prescription drug. Do not use if you are using ephedrine, caffeine, pseudoephedrine, or phenylpropanolamine. Do not use prior to or during strenuous activity in high temperature conditions. Discontinue use and consult your health care professional if dizziness, drowsiness, tremors, nervousness, headache, heart palpitations or tingling sensations occur. Exceeding the recommended dose will not improve the results. Do not exceed recommended dose listed. All persons should consult a physician before using dietary supplements, as individuals may have different supplemental needs. Consumption of this product that is inconsistent with recommended usage may produce adverse side effects. Discontinue use and contact physician immediately if you experience any adverse effects. Store in a cool, dry place below 60°F. Do not use if the seal is broken or missing.
