Proprietary Blend for Size & Recovery

L-Arginine alpha-ketoglutarate	3000 mg	+
L-Arginine HCl		+

Proprietary Blend for Strength & Power

Sodium phosphate	2000 mg	+
Potassium aspartate		+
Calcium phosphate		+
Creatine anhydrous		+
Creatine ethyl ester HCl		+

Proprietary Blend for Stamina and Endurance

Potassium bicarbonate	1101 mg	+
Sodium bicarbonate		+
CarnoSyn® Beta-alanine		+

Proprietary Blend for Muscle Energy Metabolism

Magnesium oxide	972 mg	+
Medium chain triglyceride blend		+
Potassium alpha-ketoglutarate		+
Potassium glycerophosphate		+
Magnesium glycerophosphate		+
Vitamin B Complex		+

Pyridoxine hydrochloride (B6)	1500%
Cyanocobalamin (B12)	1900%
Riboflavin (B2)	120%
Folic Acid	190%
Malic Acid	+

Proprietary Blend of Neuromodulators for Focus & Intensity

Caffeine	202 mg	+
Green tea extract		+
Betaine anhydrous		+

Proprietary Blend of Insulin Sensitizers

Taurine	500 mg	+
---------	--------	---

Cell-Signaling Amplifier

ACTINOS ² IR™ Whey Peptide Fraction**	+
--	---

Calcium 15% • Phosphorus 20% • Magnesium 45%

*Percent Daily Values are based on a 2,000 calorie diet.

** Daily Values not established

OTHER INGREDIENTS: Maltodextrin, Citric Acid, Natural and Artificial Flavors, Sucralose, Silicon Dioxide, Artificial Color.

**Contains milk.

This product does not contain yeast, soy, or wheat (gluten).

The ACTINOS²IR "INSTANT RELEASE" TRAINING EFFECT

Pre-Training Formula, Powered by an Instant "Spike" of 950% More Nitric Oxide!

This chart represents the overwhelming Black Powder[®] effect. See how your strength, energy, focus, intensity, stamina, and power blast through previous barriers. Notice how your recoveries and muscle growth reach never-before-seen levels. This is the stunning result of applying the ACTINOS²IR technology (950% "Instant" increase in N.O.) to Black Powder's precision-calibrated training formula. It creates "cellular explosions" that "light up" a stunning array of metabolic targets, giving you the best workout of your life.¹

THE ADVANTAGE: 950% More Nitric Oxide - "Instant Release!"

Black Powder is the first and only pre-training formula to employ the powerful NOS Up-regulating whey "peptide fraction" ACTINOS², delivered with MRI's "Instant Release" (IR) technology. Now you get the over-whelming advantage of an instant surge of 950% more nitric oxide, combined with the most scientifically potent pre-workout compounds delivered in ratios measured to precise gram-molecular specification.¹

THE SCIENCE: Driving Performance and Size to New Levels

Scientifically, nitric oxide forms the basis for both performance and size. Nitric oxide dilates the blood channels that deliver vital training and recovery nutrients to your muscle cells. In addition, nitric oxide signals and regulates muscle growth, muscle contraction, and metabolic adaptation to training. Until now, nitric oxide had a "pre-set" limit. Not any longer. Thanks to MRI's innovative ACTINOS²IR, Black Powder creates an immediate surge in nitric oxide levels, 950% higher than previously attainable. In an instant, Black Powder's performance/size nutrient complex floods your muscle cells in volumes never believed possible. Your body's performance and growth signals amplify in both frequency and duration, starting at your first set! Your strength, intensity, and focus hit levels they've never known. Your recovery starts before you even leave the gym. That's why with Black Powder, you'll get the most outrageously intense workout of your life, and you'll have the super-dilated skin-ripping pumps to prove it!¹

¹THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.

ACTINOS²IR[®] is a registered trademark of Glanbia plc.

PREPARATION: Mix 1 Scoop (20 g) in 8-16 oz of cold water thoroughly. Drink immediately.

NOTE: Adjust the amount of water to your desired consistency and flavor.

DIRECTIONS: Use on training days only. For best results, take on an empty stomach 0-30 minutes before workout.

CAUTION: This product contains caffeine. Do not take within 4 hours of bed time. Do not take more than 3 scoops within a 24-hr period.

STACKING: Stack Black Powder[®] with NO2 Black[®] or NO2[®] Platinum.

WARNING: Consult a physician before using this product if you are unaware of your current health condition, have any pre-existing medical condition, or are taking medication for, but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver or thyroid disease, anxiety, depression, seizure disorder, psychiatric disease, diabetes, pernicious anemia or difficulty urinating due to prostate enlargement. Consult a physician if you are taking a MAO inhibitor or any other medication. Do not use if you are pregnant, nursing, prone to dehydration or may be exposed to excessive heat. Reduce or discontinue use if sleeplessness, tremor, dizziness, nervousness, headaches, or heart palpitations occur. This product is intended only for consumption by healthy adults 18 years of age and older. Drink a minimum of 64 ounces of water per day while using this product.

KEEP OUT OF THE REACH OF CHILDREN. STORE AT 59-86°F (15-30°C). PROTECT FROM LIGHT AND MOISTURE.
