ADD LIFE TO YOUR YEARS

People are living an average of 30 years longer than a century ago. At the same time, health problems associated with normal aging continually increase. We are living longer, but are we living better?

Start taking care of your health now and really live those extra 30 years.

WHY YOU SHOULD TAKE LIFEPAK® PRIME:

- It contains specific nutrients that target and inhibit the symptoms associated with the aging process*
- It's one of the most comprehensive, safe and effective vitamin supplements available
- Over 1,000 clinical studies show the benefits of the ingredients in LifePak Prime

Supplement your way to healthier living with LifePak® Prime.

LifePak® Prime

LifePak Prime is a unique blend of vitamins, minerals, antioxidants, phytonutrients, and botanical extracts optimally formulated for men over 40 and post-menopausal women.

RECOMMENDED ADULT USE—TWO PACKETS DAILY: Take the contents of one (1) LifePak Prime packet with eight (8) ounces of liquid with your morning and evening meals.

Each packet contains one (1) vitamin capsule, three (3) mineral capsules, and one (1) phytonutrient capsule.

WARNING: Contains shellfish. Pregnant or lactating women, diabetics, hypoglycemics, and people with known medical conditions should consult with a physician prior to taking supplements.

Do not use if shrink wrap is damaged or missing, or if packet is broken. Store in a cool, dry place.

GUARANTEE: No added sugar, salt, wheat, yeast, or dairy products. No preservatives, artificial colors, or flavors. LifePak Prime is gluten-free.

LifePak Prime conforms to the current *USP* requirements for disintegration for oil and water-soluble vitamins and mineral capsules.
