BURN FAT TO THE "NTH" DEGREE!†

MRI can now unleash your body's untapped transformation potential with the powerful nitric oxide precursor Arginine. NO2 RIPCUTS™ helps the body "drill" deep into the core of cellular fat metabolism. There, these powerful compounds engage and amplify a cascading chain of events that release and transport lipids to their ultimate demise; the "fatburning furnaces" of cells. Finally, the very "epicenters" of fat-burning can now be reached and "switched on" with NO2 RIPCUTS.†

1. BREAKDOWN
NO2 RIPCUTS contains clinically validated ingredients to help boost metabolism and launch cellular fat oxidation into an extreme calorie and fat-burning zone. At the very same time, amino acids in NO2 RIPCUTS help support and preserve lean muscle that may be lost during calorie-restricted dieting.†

2. TRANSPORT
NO2 RIPCUTS contains compounds that help ignite your body's metabolic furnace and engage its fat-burning mechanisms. It starts with transporting fats to the body's fuel burning centers (the mitochondria) where they are used for energy.†

3. INCINERATE
Precision ingredients in NO2 RIPCUTS help the body release and preserve norepinephrine, the thermogenic activator. This helps escalate peak metabolic activity in the body for an extreme thermogenic experience. NO2 RipCuts help drive the body's ability to maximize incineration of unwanted body fat.†

PREPARATION: Empty contents of 1 packet into bottle (or glass) filled with 8-16 oz. of cold water. Replace lid; shake or stir until NO2 RIPCUTS™ is dissolved. One packet makes 1 serving. **NOTE:** Adjust the amount of water to your desired consistency and flavor.

DIRECTIONS FOR NO2 RIPCUTS: For best results, take on an empty stomach. On training days, take one serving within 30 minutes of your workout. Consume ten glasses of water per day. Read the entire label before use and follow directions. Do not exceed 1 serving in a 4-hour period and/or 3 servings in a 24-hour period. Do not take within 5 hours of bedtime. To assess individual tolerance, follow the chart.

DAY 1 - DAY 3	1 STICK DAILY
DAY 4 - DAY 7	1 STICK, 2X DAILY
DAY 8 & BEYOND	1 STICK, 3X DAILY

WARNINGS: Consult your healthcare professional prior to use if you have or suspect a medical condition, including cardiovascular, kidney or liver disease, high blood pressure, diabetes, or cold sores, are taking prescription drugs, or have allergies to arginine, corn, gluten, or citrus fruit. Do not use if you are pregnant or lactating. Not intended for use by individuals under the age of 18 years. Arginine may cause a severe allergic reaction, which may include shortness of breath, increase your risk of bleeding, or lower your blood pressure. Each serving contains as much caffeine as about 2 cups of coffee. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. Do not exceed the recommended intake.
