

DIRECTIONS: Take one softgel daily, or use as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking blood thinners or other medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

OmegaPure 900-TG™ is International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each fish gelatin softgel contains concentrated Norwegian fish oil that provides 900 mg of EPA and DHA omega-3 fatty acids in triglyceride form. To assure maximum purity and freshness, the oil is stabilized with vitamin E (as d-alpha tocopherol). EPA and DHA from fish oil have been extensively researched for their health benefits. They promote wellness by supporting cardiovascular health, normal platelet aggregation, cytokine balance, joint health, and brain and nervous system function.*
