

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take one to two capsules one to two times daily, or
as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking
medication should discuss potential interactions with their
healthcare practitioner. Do not use if tamper seal is damaged.

S-Acetyl Glutathione is an acetylated form of glutathione. This form
is well-absorbed and more stable throughout the digestive tract
than other forms on the market. Use of stomach acid-resistant
capsules (DRcaps™) further protect stability. Laboratory data
showed that S-acetyl glutathione increased intracellular glutathione
and had a positive effect on many oxidative stress biomarkers.*
