

RAW • VEGETARIAN • GLUTEN FREE  
DAIRY FREE • NO BINDERS OR FILLERS

90 Vegetarian Capsules

RAW Whole Food Dietary Supplement

# **RAW** **ENZYMES™** **WOMEN**

22 Enzymes • Highest Potency  
Full Spectrum Digestive Enzymes *plus*  
Powerful Probiotics and  
RAW Food Vitamins and Minerals

**Suggested Use:** Adults take 1 capsule 3 times per day with meals. You may gradually increase up to 9 capsules per day. Contents may be mixed in your favorite raw juice or water. Not intended for children.

## Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 90

| Amount Per Serving                                 | % Daily Value |
|----------------------------------------------------|---------------|
| Vitamin A*                                         | 67 IU 2%      |
| Vitamin D*                                         | 167 IU 42%    |
| Vitamin K* (as Menquinone 7 "MK-7")                | 2 mcg 3%      |
| Thiamin* (Vitamin B <sub>1</sub> )                 | 0.08 mg 6%    |
| Riboflavin* (Vitamin B <sub>2</sub> )              | 0.03 mg 2%    |
| Niacin* (as Nicotinamide)                          | 0.33 mg 2%    |
| Vitamin B <sub>6</sub> *                           | 0.07 mg 3%    |
| Folate*                                            | 17 mcg 4%     |
| Vitamin B <sub>12</sub> *                          | 3 mcg 50%     |
| Biotin*                                            | 6 mcg 2%      |
| Pantothenic Acid*                                  | 0.17 mg 2%    |
| Zinc*                                              | 0.33 mg 2%    |
| <b>RAW Enzyme Blend*</b>                           | 544 mg +      |
| <b>Protein-Digesting Enzymes</b>                   |               |
| Bromelain (303,000 PU)                             |               |
| Papain (303,000 PU)                                |               |
| Peptidase (3,500 HUT)                              |               |
| Protease (high pH) (2,525 HUT) [Dairy Digesting]   |               |
| Protease (low pH) (21 SAPU) [Dairy Digesting]      |               |
| Protease (mid pH) (105,000 HUT) [Dairy Digesting]  |               |
| Protease (neutral pH) (3,050 PC) [Dairy Digesting] |               |
| <b>Carbohydrate-Digesting Enzymes</b>              |               |
| alpha-Galactosidase (541 GalU)                     |               |
| Amylase (27,038 DU)                                |               |

| Amount Per Serving                                                         | % Daily Value    |
|----------------------------------------------------------------------------|------------------|
| beta-Glucanase (38 BGU)                                                    |                  |
| Cellulase (3,400 CU)                                                       |                  |
| Glucosylase (54 AGU)                                                       |                  |
| Hemicellulase (1,040 HCU)                                                  |                  |
| Invertase (1,064 SU)                                                       |                  |
| Lactase (1,575 ALU) (Dairy Digesting)                                      |                  |
| Maltase (216 DP)                                                           |                  |
| Pectinase (54 PGU)                                                         |                  |
| Phytase (9 FTU)                                                            |                  |
| Xylanase (700 XU)                                                          |                  |
| <b>Fat-Digesting Enzymes</b>                                               |                  |
| Lipase (3,870 FIP)                                                         |                  |
| <b>Enzyme-Generating Probiotic Blend</b>                                   | 31 mg +          |
| <i>Bacillus coagulans, Saccharomyces boulardii</i>                         |                  |
| Total Cultures                                                             | 500,000,000 CFU* |
| Neofuranase                                                                | 67 FU* +         |
| Superoxide Dismutase                                                       | 5 SOD Units +    |
| <b>Mineral Enzyme Activators</b>                                           | 1 mg +           |
| Red Algae (Algas calcareas), alfalfa in an ocean-based ionic mineral blend |                  |
| + Daily Value not established.                                             |                  |

Other ingredients: Vegetable cellulose, Saccharomyces cerevisiae, Lactobacillus bulgaricus.
