Glutamine is one of the most abundant amino acids found in muscles. It is involved in protein synthesis and plays an important role in hydrating muscle cells. With this amino acid's great benefits in the body, it will support muscle function.* Each serving supplies 5,000mg of L-Glutamine and blends easily with any beverage or sports drink.

STACK WITH PRO PERFORMANCE®:
RapidDrive® Arginine 5000™, Hybrid
Creatine Complex, 100% Whey Protein
