

IMPORTANT FACTS YOU SHOULD KNOW

Omega fatty acids are nutritionally important. Some of these fatty acids are essential—meaning your body needs them but cannot make them, so they must be obtained from diet. Omega 3-6-9 contains both essential and non-essential fatty acids. Omega 3-6-9 provides Borage and Evening Primrose Oil, sources of gamma-linolenic acid (GLA), plus Fish Oil, a source of the Omega-3 fatty acids Eicosapentaenoic and Docosahexaenoic (EPA & DHA). Omega-3 fatty acids are “good” fats important for cellular, heart and metabolic health.*

Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease. One serving of Omega 3-6-9 provides 348 mg of EPA and DHA omega-3 fatty acids. See nutrition information for total fat and cholesterol content.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

No Gluten, No Yeast, No Wheat, No Milk or Milk Derivatives, No Lactose, No Sugar, No Preservatives, No Artificial Color, No Artificial Flavor, No Sodium.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

KEEP OUT OF REACH OF CHILDREN. STORE AT ROOM TEMPERATURE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.

Quality Guaranteed Lab Tested

Laboratory tested to meet strict quality control standards for potency, purity and disintegration. 100% Quality Guaranteed.
