

Suggested usage: Children 0-5 years old: ½ teaspoon (1 g), 1-3 times per day. Children 6-12 years old: ½-1 teaspoon 3 times per day. Can be mixed with water, juice, or your favorite smoothie, or sprinkled onto foods like cereal, fruit, or yogurt, or as directed by a health professional. Take at least 2-3 hours before or after antibiotics.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Big Friends Multi-Probiotic is a source of probiotics providing live organisms that temporarily modify gut flora.* This 7 strain formula helps maintain a healthy immune system and digestive strength.* A healthy intestinal flora helps to create a favorable environment for absorption of nutrients.*
