

Suggested usage: 1–2 capsules 2 times per day or as directed by a health professional. Supports the body's natural inflammatory response.*

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Curcumin is the yellow pigment in turmeric with many valued health benefits, but it is difficult for the body to absorb. Theracurmin is a natural curcumin preparation that utilizes advanced techniques to reduce curcumin's particle size, dramatically increasing its solubility and bioavailability. Detailed absorption studies have proven that Theracurmin is the best-absorbed form of curcumin on the market.†

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, starch, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

†Scientific scrutiny revealed that Theracurmin was more bioavailable on a milligram-to-milligram basis than other leading* enhanced and regular forms of curcumin.

‡As measured by SPINS 2014 data.
