OLYMPIAN LABS

SUGGESTED USE: Mix one (1) scoop (14.6 g) in 6-10 ounces of cold beverage of choice. Greens 8 in 1 with Protein can be taken once daily. As with any fiber rich drink, always follow each serving with a full glass of water. Settling may occur.

GREENS 8 IN 1 is a delicious, nutrient-rich, complete greens drink mix that combines a blend of 8 products into 1 convenient serving.

Enjoy the benefits of 8 products in 1:

1. Protein – maximize your absorption with plant based Organic Hypoallergenic Pea Protein Isolate and get the essential nutrients which support your optimal health. Protein also plays a key role in increasing strength and lean muscle mass, supporting a normal glucose metabolism & providing your body with energy it needs.**

2. Fiber – helps regulate the body's use of sugars, helping to keep hunger and blood sugar in check.**

3. Antioxidants – found in fruits and vegetables are your best defense against the damaging effects of free radicals on your cells. Antioxidants boost your overall health, brain health, immune system as well as provide anti-aging benefits & help to maintain healthy skin. We measure antioxidants with the Oxygen Radical Absorbance Capacity (ORAC) lab test.**

4. Whole Food Multivitamins & Minerals – support your overall health with the nutrients your body needs.**

5. Branched Chain Amino Acids (BCAA's) – are essential for assembling proteins in your body. They also aid in muscle growth and fat loss.**

6. Digestive Enzymes – promote optimal digestion for better absorption & greater bioavailability.**

7. Probiotics – are friendly bacteria that play an important role in digestion, restoring a healthy intestinal balance, proper metabolism, a healthy colon environment & overall health.**

8. Gentle Detoxification & Cleansing – provides amino acids & herbal detoxifiers that help maintain healthy blood & aid in the removal of destructive toxins, such as heavy metals & pollutants.**
