Sea Nourishment is a sea nutrient elixir containing important minerals from the Great Salt Lake and an array of nutrient-dense sea vegetables. These sea vegetables are known for their significant trace mineral and overall nutritional content.

Sea Nourishment contains vitamins, macro minerals, trace minerals, amino acids (including essential amino acids), and enzymes in a perfect balance to support digestive health and to cleanse and detoxify the body.*

It also is enhanced with coral calcium to give you an increased spectrum of trace minerals to support bone and muscle health. In addition, it contains aloe vera and other phytonutrients that have been

researched and are known for supporting a healthy immune system.*

Sea Nourishment will tantalize your taste buds with its natural cran-raspberry flavor.

Olympian Labs, Inc. products are made with the highest quality ingredients and manufactured according to current Good Manufacturing Processes (cGMP).

SEA NOURISHMENT SHOULD BE REFRIGERATED AFTER OPENING.

CONTAINS NO CAFFEINE.
