

CLINICAL STRENGTH FOCUSALL™

► INTENSE FOCUS & CLARITY

The Clinically researched ingredients are scientifically designed to elevate your mental performance while providing Intense Focus and Mental Clarity within minutes. One single dose of **FocusAll™** allows you to keep up with your demanding daily routines, enabling you to work smarter, work longer, and accomplish more in your day. **FocusAll™** helps improve memory and learning capacity, as well as memory recollection.*

► ELEVATE YOUR PERFORMANCE

Clinical Strength **FocusAll™** is designed to be the strongest mental focus and alertness formula available without a prescription.* With premium ingredients that increase the key neurotransmitters dopamine and GABA which enhances the mind/muscle connection giving users an edge.*

► BOOSTS ENERGY AND ALERTNESS

FocusAll™ includes one of the World's first and only patent-pending ingredients—TeaCrine®, designed to increase energy and enhance focus and concentration without the crash, irritability or tolerance buildup. Studies have shown that TeaCrine® significantly enhances energy, drive, focus and concentration.* **FocusAll™** provides active individuals pure, clean energy that lasts for hours.*

► HELPS PROMOTE POSITIVE MOOD & REDUCES FEELINGS OF STRESS

Science has also shown the key clinically tested ingredients promote a positive mood while reducing feelings of stress and irritability. **FocusAll's™** unique formula allows you to auto-regulate your body with the functional benefits by achieving the desired sensation of being "in the zone".

HEN SHOULD YOU TAKE CLINICAL STRENGTH FOCUSALL™?

► At College:

Helps retain information, through Intense Focus & Clarity.*
