

DIRECTIONS - Total Body Purifier®

(Adult) Take one (1) tablet with breakfast and a full glass of water and one (1) with dinner and a full glass of water.

DIRECTIONS - Colon Clear® Formula

(Adult) Everyone's digestive system is different, so people respond differently to the Colon Clear® Formula. Start by taking one (1) tablet in the morning and one (1) in the evening with food and a full glass of water. If you do not achieve two daily bowel movements within two days, take two (2) tablets in the morning and two (2) in the evening. If you still do not achieve two bowel movements per day, then move up to three (3) tablets in the morning and three (3) in the evening. Do not exceed a total of six (6) tablets a day.

Note: You should take both formulas until they are gone. Your supply of Total Body Purifier® will last exactly 30 days. Since response is unique, the Colon Clear® Formula will last from 15 to 45 days depending on how many tablets you require.

Total Body Purifier®

*At time of manufacture.

Contains: Dairy, Soy

IMPORTANT

Cellular Research Formulas® meet the highest standard of potency, quality and freshness. Dual-Action Cleanse® is a cleansing program that is not intended to be used all year long. Use it for one month and then take a break for one month before using again. This two-part program includes the **Total Body Purifier®** which supports the digestive system and helps to enhance overall wellness.* The second bottle in the program is called the **Colon Clear® Formula**. It promotes more frequent bowel movements to keep food and toxins moving through your body without lingering in your system for too long.* The result? You feel lighter, more energetic and cleaner inside.*

Although "copycat" products are on the market, you will not find a better formula than Dual Action Cleanse® on store shelves. A key ingredient group that is missing from these imitations is the crucial group of ingredients that we call "Anti-Gas/Anti-Bloat Digestive Enzyme Blend." These ingredients are too expensive for most retail brand colon cleanse/digestion products to include.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIETARY SUPPLEMENT

MAXIMUM STRENGTH FORMULA

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including diuretics, heart medications and corticosteroids, or have any medical conditions. Do not use if you have an intestinal obstruction, hemorrhoids or other intestinal disorder. Do not use if you are taking any other product concurrently that has laxative effects. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place. Taking this product without adequate water may cause choking. NOTE: This product is not intended to be used without breaks. Cascara Sagrada, Chinese Rhubarb and Cape Aloe belong to a family of plants containing compounds with laxative effects. Can lead to dehydration and electrolyte loss. With long-term use without breaks, these ingredients may interfere with diagnostic imaging procedures of the colon. Taking a break of 30 or more days between use cycles will help maintain natural regularity. Not intended for long-term use.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

NOTICE: This product contains Cascara Sagrada, Chinese Rhubarb and Cape Aloe. Read and follow the directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Cascara Sagrada, Chinese Rhubarb and Cape Aloe may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
