Natural Fat Burner™ utilizes some of nature's most powerful extracts to support your weight loss efforts. This Natural Fat Burning Blend of natural ingredients is specially designed to burn fat when combined with a low calorie diet and exercise plan*. This holistic formulation can assist you in achieving a healthier body weight.*

- Green Tea extract with EGCG and caffeine, while not literally melting fat off the body, supports energy expenditure and fat oxidation.
- Cinnamon (Cassia extract) has naturally occurring compounds that have been traditionally used by herbalists to stimulate digestion and support blood circulation.*
- African Mango has traditionally been used for its health promoting properties.*
- Acai Berry extract is a superfruit that is prized for its antioxidant potential.

This product is delivered in an optimum, easy-to-swallow delivery format of a Liquid Soft-Gel. Liquid Soft-Gels release nutrients fast for maximum results.
