**FUEL FAT METABOLISM,
PROTECT MUSCLES**

Carnitine 1000 + BCAA is a powerful infusion made with high-quality amino acids known to fuel fat metabolism, exercise and muscle recovery. Carnitine impacts fatty acid metabolism by supporting the conversion of fatty acids to energy, may support nitric oxide production and healthy blood flow. Research suggests branched chain amino acids (BCAA) reduce the amount of muscle protein breakdown during exercise, which helps to protect your lean muscle gains. Protect the results of your hard work while facilitating fat metabolism with this sugar-free, high-quality liquid infusion.

**CARNITINE 1000 +
BCAAA**
DIETARY SUPPLEMENT

*Protects Lean Muscle & Supports Metabolism**

*Transforms Fatty Acids into Energy**

*Fuels Exercise and Recovery**

ORANGE CREAM
NATURAL AND ARTIFICIAL FLAVOR

30 SERVINGS
Net Wt 16 fl oz (473 mL)

CODE 791306

LPG

DIRECTIONS: As a dietary supplement, take 1-2 servings daily. For maximum results, take 2 servings. Shake well before using. Refrigerate after opening.
