

A powerful fat-soluble antioxidant, Vitamin E scavenges free radicals protecting cells from oxidative damage.[†] When combined with a healthy diet and lifestyle, vitamin E supplements can help neutralize excess free radicals to promote heart health.[†]

Our **Vitamin E** is natural. Research indicates natural vitamin E to be more potent than synthetic forms.

Most soy allergies are actually allergies to soy protein.
Our **Vitamin E** is derived from soybean oil that does not contain soy protein.

**We Guarantee Our Supplements
for Potency and Purity**
