DIRECTIONS: Take 1-3 capsules daily with 8 oz. warm water between meals.

The herbs and botanicals found in this formula have been traditionally used to support women's health and maintain balance during the transitional years of menopause.[†] The Ultimate Extract® process (providing easy digestion and utilization), the unique combination of Western and Chinese herbs, and the addition of support nutrients make our Menopause Formula your best choice for specific herbal supplementation.

Pregnant or lactating women should consult their health care professional before using this product.

Due to variations in nature, the natural color of this product may be slightly different with each batch; however, the quality specifications remain the same.
