

Milk Thistle seed's unique group of flavonoids called "silymarins" help preserve normal metabolic activity of the liver and support its regenerative processes.[†] Milk Thistle is particularly helpful to the body in combating the harmful effects of pollution.[†]

This herbal supplement contains standardized Milk Thistle (*Silybum marianum*) extract powder from the highest grade whole seeds.

Advanced Herbal Delivery System® process makes our Milk Thistle easier to digest and more available than plain herb powder, creating a premium Milk Thistle supplement.

Due to variations in nature, the natural color of this product may be slightly different with each batch; however, the quality specifications remain the same.
