

Methylsulfonylmethane (**MSM**) is a naturally occurring organic sulfur compound found in all living plant and animal tissue. Sulfur, an essential element in human nutrition, is a necessary component for making collagen, the primary constituent of skin, hair, joints, cartilage and other connective tissues.[†] It helps support joint flexibility, cellular fluid balance and healthy skin.[†] Our formula is made from the finest quality OptiMSM® brand MSM.

1,000 mg of MSM provides 340 mg of elemental sulfur.

OptiMSM® OptiMSM® is a registered trademark of Cardinal Associates, Inc.

**We Guarantee Our Supplements
for Potency and Purity**
