Ultra Seasonal Protector™ supports the body's natural defenses by promoting a healthy immune system, upper respiratory system, and mucous membranes.† Beneficial components found in nature are preserved full spectrum providing a broader, more complete formula.

Pregnant or lactating women should consult their health care professional before using this product.

Due to variations in nature, the natural color of this product may be slightly different with each batch; however, the quality specifications remain the same.

We Guarantee Our Supplements for Potency and Purity
