CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Evening Primrose Oil (EPO) provides a natural source of important essential fatty acids. Essential fat supplements can help offset the high consumption of saturated and trans fatty acids crowding our food supply.† The nutrients found in EPO play a major role in heart, skin, joint, nerve and overall health.† Our 1,300 mg EPO product provides a higher dosage formula for those looking to decrease the number of softgels taken per day of a lower dosage EPO product for therapeutic use.

We Guarantee Our Supplements for Potency and Purity
