

SUGGESTED USAGE: Take 2 capsules daily with food, or as directed by your healthcare practitioner.

HOW IT WORKS: OrthoFlora Yeast Support™ is a unique formula with nutritional and traditional herbal ingredients that may help to support a healthy balance of intestinal flora.* *Candida albicans* is a naturally occurring yeast that typically resides in the gut as part of the normal gut flora.* It is well known that a proper composition of intestinal organisms is critical to healthy digestive and immune system function, as well as for the support of proper detoxification processes.* Although OrthoFlora Yeast Support™ is not meant to clear *Candida albicans* from the gut, it can help to support a healthy balance of intestinal flora, a healthy immune system, proper detoxification, and overall digestive well-being.*

CAUTIONS/INTERACTIONS: Ingredients in this product may interact with hormonal medications such as insulin. If you are taking medications or if you are pregnant/nursing, consult your healthcare practitioner prior to use. May cause mild transient gastrointestinal discomfort. Keep out of reach of children. For more information on this product go to www.protocolforlife.com/P3308

This bottle contains an AGELESS® Oxygen Absorber to ensure freshness. Do not eat freshness packets.
