Neuro-PS® Gold Plus is a premier brain health supplement containing a Phospholipid Complex that's derived from natural sources.* Each softgel is standardized for the active ingredient Phosphatidylserine (PS), which is processed without bacteria to ensure quality, purity and potency. Phosphatidylserine levels in the brain can decline with age, so it is important to supplement with Neuro-PS® Gold Plus every day. Neuro-PS® Gold Plus aids brain function and supports occasional mild focus and memory problems associated with aging.* When choosing PS, make sure it's Neuro-PS®!

DIRECTIONS: For adults, take three (3) softgels daily, preferably with a meal.
