

Omega-3 fatty acids from Fish Oil are considered good fats important for cellular, heart and metabolic health.* Fish Oil also helps maintain triglyceride levels already within a normal range.*

This unique supplement is coated, which means the active ingredients bypass the stomach and are digested in the small intestine, which can minimize the aftertaste.

Ester-Omega® is a concentrated and highly purified Omega-3 Fish Oil selected from the finest deep sea, cold water fish. Formulated in an antioxidant matrix to enhance potency, Ester-Omega® allows for maximum absorption of Omega-3 EPA and DHA fatty acids by the body.* Omega-3 fatty acids support heart and cardiovascular health.* Ester-Omega® is purified to remove Mercury. When choosing fish oil...make sure it's Ester-Omega®!

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, planning any medical or surgical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store at room temperature. Do not use if blister seal is cut, torn or open.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Directions: For adults, take two (2) softgels daily, preferably with a meal.
