

Suggested Usage: As a dietary supplement, take 1 lozenge 2 to 3 times daily or as needed, approximately 1 hour after meals. Allow lozenge to dissolve slowly in mouth. Children ages 6-12, use half of adult amount.

Warning: Do not exceed recommended dose. This product is formulated for the alleviation of temporary symptoms from conditions such as GERD and heartburn. This product is not intended for those with chronic conditions, such as excess stomach acid. Seek the advice of a healthcare practitioner if chronic conditions persist. Not to be used by pregnant or lactating women unless recommended by your healthcare practitioner. Keep out of reach of children.

Caution: Do Not Eat Freshness Packet. Keep in Bottle.
