CLINICAL STRENGTH

**NUTRIZYME**<sup>™</sup>

Dietary Supplement

900 Enteric Coated Tablets 535 mg

**Suggested Use:** Take 5 to 10 tablets 2 to 3 times daily, 1 hour before or 2 hours after each meal, or as directed by your Health Care Professional.

**Nutrizyme** is a specially formulated proteolytic enzyme formula. Since enzymes are vital for every action in the body, daily use can help maintain metabolic balance. They promote a healthy heart and reduce joint pain as well as support the immune system and aid in detoxification. In addition, Nutrizyme supports healing after trauma or surgery and reduces fibrin and debris in the blood.
