Nutritional Support for Cardiovascular Health, Healthy Antioxidant Function and Overall Well-Being*

Nature's Plus **Beyond CoQ10**® provides an astounding 200 mg of the world's finest pharmaceutical-grade ubiquinol, the most absorbable form of Coenzyme Q10. And **Beyond CoQ10** is the world's only CoQ10 supplement supercharged with **UbiquiMax**™ Absorption and Utilization Enhancing Matrix. The minerals in **UbiquiMax** optimize ubiquinol absorption by supporting the formation of micelles, the microscopic nutrient structures essential to absorption through the intestinal walls. Cofactors Alpha Lipoic Acid, Pyruvate, P5P and L-Carnitine optimize ubiquinol utilization by supporting enzymatic antioxidant activity and efficient Krebs cycle energy production.

Each easy-to-swallow softgel also supplies essential and non-essential unsaturated fatty acids from high-quality sunflower lecithin and safflower oil.

DIRECTIONS: As a dietary supplement for adults, one softgel daily or as recommended by your health care professional.

Gluten free. Free from artificial colors and preservatives. Free from the common allergens yeast, wheat, corn, soy and milk.

**KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE.
KEEP OUT OF REACH OF CHILDREN.**
