

SUGGESTED USAGE: Take 1 lozenge daily, or as directed by your healthcare practitioner. Chew lozenge or hold in mouth until dissolved and swallow.

HOW IT WORKS: Vitamin B₁₂ has the largest and most complex chemical structure of all the vitamins. Most of its functions are related to its co-enzyme activity, such as enzymes required for the production of DNA during cell division, as well as for the proper disposal of homocysteine.* B₁₂ is also necessary for the maintenance of a healthy nervous system.*

CAUTIONS/INTERACTIONS: A number of drugs can affect Vitamin B₁₂ levels or its utilization. If you are taking any prescription medications, consult your healthcare practitioner before taking this product.

Contains Xylitol, do not feed to pets.

Natural color variation may occur in this product.
